Country codes are used when dialing an international phone number.

On the other hand, exit codes (also known as international access codes or

IDD International Direct Dialing codes) are used for dialing out of your country.

For example if you want to call from Anguilla to Afghanistan you must dial: 011 + 93 + phone number.

For rates to countries not listed here, please contact our office at (208) 326-4331 in Idaho and (775) 755-2301 in Nevada
