Implementation Timeline and Fund Use Policy:

Recipients of the TruLeap Sharing Success Grant have one year from the date of receiving the funds to purchase the approved goods or materials in order to implement the approved project or initiative. Recipient must submit invoices to TruLeap Technologies for the purchase of such goods or materials within one year after receiving the grant funds. TruLeap Technologies reserves the right to follow up one year after the grant has been awarded to ensure the funds were expended appropriately. If the funds have not been fully expended as intended, TruLeap may request their return to be reallocated to other eligible entities that did not receive funding.

*As a general rule, the Sharing Success Grant is for qualified goods or materials, not for services. Please include an estimate of the goods/materials that the grant will be used for.
